

PingPong is established on 2015 and is a dynamic FinTech company aimed at providing global payment services. PingPong Europe S.A. obtained the Luxembourg Payment Institution license in 2017.

Within four years, PingPong developed quickly and has provided the excellent service to the cross-border customers in China, Japan, US and Europe. Family, chemistry, creation, crazy and loud are PingPong's value. PingPong Europe offers a challenging, international, multi-cultural and fast-growing working environment that will make the intern a highly personal enriching experience.

We do have multiple openings and are looking for high calibre interns that will assist the team in handling daily and periodic tasks and routines in the following areas:

- Payment, 1
- Finance, 1
- Sales and Marketing, 1-2
- Information security, 1

**Location:** Luxembourg

**Qualifications and skills:**

- Penultimate or final year student
- Must be able to commit to at least 2 months on full time basis starting from June 2019
- Strong knowledge or work experience in math, accounting, finance, marketing, information security and data privacy
- Good MS Excel Spreadsheet and modelling skills
- Strong communication skills and teamwork spirit
- Clear thinking, willingness to learn, and strong organizational skills
- Excellent written, reading and verbal English skills. French and/or Chinese is a plus.

Except for exceptional cases, PingPong Europe does not offer direct compensation but we offer free housing, conditions and location will be decided by the company.

You will be required to demonstrate that you are in possession of a valid EU Schengen Study Visa expiring not before the last day of the internship.
