## **Junior External Auditor (m/f)**

### **Your next challenge:**

As part of our audit teams, you will have the opportunity to participate in diversified legal and contractual audit assignments for companies active in various fields of activity: commercial sector, industrial sector, financial sector (UCIs, financial sector professionals, etc.) and public sector or co-financed by the public sector.

Supervised by your managers, you will develop your autonomy and your professional know-how. To support you in this development, you will follow a training program personally adapted.

### **Your profile:**

If...

- You are a Master graduate in Accounting, Audit and Control or from a Business School with an Audit specialization;
- You wish to continue your training by obtaining a professional qualification (IRE, DSCG, ACCA);
- You speak French or German with a good English level;
- You are motivated, ambitious, rigorous, and analytical;
- You like to work with flexible teams and you have good communication skills;
- You want to start your career within a dynamic company with move up opportunities.

... then that offer is probably made for you!

*To know: A first experience in audit and/or accounting is considered an advantage.*

### **Join us and...**

- Become part of a global organization with solid financial foundations, real ambition, entrepreneurial spirit and a clear strategy for growth;
- Have a diverse portfolio of national and international clients across different industries;
- Work within a multicultural, pleasant and dynamic environment;
- Get a personalized training plan to develop your knowledge and skills;
- Receive attractive benefits.
