

YOUNG GRADUATE TRAINEE OPPORTUNITIES

From 15 November
to 15 December 2019
Now open for applications!

Once
explorers,
always
explorers.

More than 100 explorers wanted for this year's Young Graduate Trainee opportunities at ESA!

Opportunities are open until 15 December 2019 and are available in engineering, science, IT, natural/social science, business and administration services.

The ESA Young Graduate Trainee (YGT) programme lasts for one year and gives you the opportunity to gain valuable experience in the development and operation of space missions in an international and multicultural environment.

Apply now!

— WHAT WE OFFER YOU

You will gain valuable experience that could open doors to a career within Europe's space sector, renowned research institutes or, of course, ESA.

We will cover your travel expenses at the beginning and end of the contract.

You will get approximately €2,300 (depending on the location of the ESA Establishment) per month exempt from national income tax in ESA Member States and excellent employment conditions.

You will be offered a one year contract with 2.5 days paid leave per month.

Health cover under ESA's Social Security scheme.

Join an international and multicultural environment.

— WHO CAN APPLY

To apply, you must be:

- a student in the final year of a Master's degree at a university or equivalent institute, or have just graduated. Candidates are required to have completed their Master's degree by the time they start work at ESA;
- a citizen of one of the following [ESA Member States](#): Austria, Belgium, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Luxembourg, the Netherlands, Norway, Poland, Portugal, Romania, Spain, Sweden, Switzerland, and the United Kingdom. Nationals from Slovenia, as an Associate Member, or Canada as a Cooperating State, can apply as well as those from Bulgaria, Cyprus, Latvia, Lithuania and Slovakia as [European Cooperating States](#).

— HOW TO APPLY

1

Go on our Careers at ESA site to browse the YGT opportunities.

[VIEW JOBS](#)

2

Select the job opportunity that best matches your interests and profile.

3

Register and create your candidate profile with your CV and motivation letter.

4

Once you have applied, you will be able to track the status of your application.

— ABOUT ESA

The European Space Agency is Europe's gateway to space. Its mission is to shape the development of Europe's space capability and ensure that investment in space continues to deliver benefits to the citizens of Europe and the world. ESA is an international organisation with 22 Member States. By coordinating the financial and intellectual resources of its members, it can undertake programmes and activities far beyond the scope of any single European country.
