

Luxembourg's Young Graduate Trainee (LuxYGT) Programme at ESA

2021 CALL FOR APPLICATIONS IS NOW OPEN!

The [Luxembourg Space Agency – LSA](#) actively supports students in the transition from education to full-time employment in the space industry with a dedicated training programme.

The Luxembourg Young Graduate Trainee programme – LuxYGT offers a wide range of internships at the European Space Agency - ESA for Luxembourg students each year. The internships take place at different ESA centers.

Explore our Young Graduate Trainee opportunities and conditions [here](#).

Select the one opportunity that genuinely interests you and fits best with your educational background.

Apply at [luxygt\(at\)space-agency.lu](mailto:luxygt(at)space-agency.lu)

Deadline for application: **30 June 2021**
