

Business Processes Analyst - Intern/Student

Location : Luxembourg

Join PPRO for a 3 to 6 months internship and gain experience by contributing to the success of an international payment fintech. The primary focus of this internship role is to provide support to the business users. Specifically, to work with colleagues and users to identify, capture and review business processes' current state and improvement opportunities as a basis for improving the operating efficiency and the control of those processes.

What will you be doing:

- Support the business users in documenting their key processes, controls and information flows;
- Build repository for key business processes and controls;
- Assess business processes risk and improvement opportunities.

You'll need to have:

- Enrolled in a Bachelor or having finalised a degree in Business Management or equivalent and excellent academic record;
- Demonstrate experience in workflow design and report writing techniques;
- Be familiar with collaboration and workflow management tools (e.g. Google Suite, Confluence, Jira);
- Excellent command of written and spoken english.

Why you should join:

- Get exposed to an international and dynamic corporate environment;
- Learn about regulated payment business;
- Collaborate directly with the business users and senior management.

We'd love to see:

That you like to challenge the status quo and that you drive change for the better. We love working with people that are great communicators and people who thrive in truly international environments.

About us:

PPRO is a global B2B fintech company. We provide the local payments infrastructure that helps companies like Citi, PayPal, and Worldpay do business anywhere in the world.

Speaking of growth, we just raised over \$180 million in new investment to take PPRO to the next level.

If you want to work at a company where every idea is heard, and there's always a way to make an impact, let's talk. If you like to work the way we do – by building trust and driving change – we want to hear from you.

Our offices in Singapore, London, Munich, Cologne, Berlin, Luxembourg, Atlanta, San Francisco, Mexico City and Sao Paulo are home to a diverse team representing 60+ nationalities. And while there are over 380 of us, we're all united by one mission: to usher in the next era of local payments infrastructure and power growth for businesses all over the world.
